Dear Carl,

It gives me great joy to let you know I am writing this letter on American soil. I have safely returned from a 12 month deployment to Paktika, Afghanistan and wanted to thank you along with the staff, elders, and entire Trinity family for your prayers and support throughout this past year.

While the separation from family was tough, we have all grown through this process and look forward to our upcoming vacation together next week. I ask you to continue to pray for us as we go through the "reintegration" phase of redeployment and get used to living together again. Please find the enclosed certificate as a very small token of our appreciation for your encouragement and support. May the Lord continue to open doors of opportunity for sharing God's grace through your various ministries there at Trinity.

For His Glory,
